

# MORRO DA BABILÔNIA, URCA **GUIDED CLIMBING**

**SEE MORE PHOTOS OF THIS TOUR>**

**[ROCKSINRIO.COM.BR/ EN/ESC-GUIADA/MORRO-DA-BABILONIA-2](https://www.rocksinrio.com.br/en/esc-guiada/morro-da-babilonia-2)**

Most frequented area in Rio. Good option for less experienced climbers due to the easy access and degree of its routes, which vary between III and VI. On its positive sloping wall, small grip and grip predominate, requiring a lot of feet and legs. Beautiful view of the Red Beach and the Sugar Loaf! To access Babylon, it is necessary to register at the entrance of the Sugar loaf station and leave some document with a photo.

## **INFO**
